## Product Lines

A STABILUS COMPANY

### Ace Controls

World leader in deceleration technology! Miniature to heavy-duty shock absorbers and gas springs.

<https://www.acecontrols.com/>

### AIGNEP

Push-to-Connect fittings for flexible tubes. Nickel plated, brass body to 1/2 in. O.D. (1/2 in. NPT).

<https://www.aignep.com/>

### Air Pumps Online

The most popular diaphragm, rotary vane, regenerative, and piston compressors and vacuum pumps in stock and ready to ship. We also carry air motors, filters, regulators, and lubricators with repair kits to keep everything in service. From sewage septic to the oilfield, we serve your needs.

<https://www.airpumpsonline.com/>

### Alkon

Pneumatic Equipment - Check, flow-control and needle valves from 1/8 in. to 1 inch.

<https://alkoncorp.com/>

### Allenair

Manufacturers of digital feedback air cylinders.

<https://allenair.com/>

### American Cylinder

Non-repairable, stainless-steel or aluminum air cylinders to 3 in. bores.

<https://www.americancylinder.com/>

### Arrow Pneumatics

Filters, regulators, lubricators and accessories. Sintered bronze and speed control mufflers. Breather vents. Refrigeration, regenerative and desiccant air dryers.

<https://www.arrowpneumatics.com/>

### AsahiKasei

PVC and Plastic Ball Valves, Check Valves, Piping and Automated Valve Packages.

<https://www.akplastics.com/>

### Ashcroft

Pressure and vacuum gauges for commercial, test and oilfield applications including liquid filled. Steel, stainless steel and phenol cases. Pressure switches and transmitters.

<https://www.ashcroft.com/>

### Aurora Air Products

Repairable cylinders in brass, stainless steel or aluminum for air pressures to 200 PSI and hydraulic pressures to 1,000 PSI, 3/4 in. to 3 in. bores.

<http://www.auroraair.com/>

### Automatic Valve

Manual, pilot, and solenoid, aluminum and stainless steel, 2-, 3- and 4-way valves. Speed control, check, shuttle, quick-exhaust and valves and electronics for serial bus apps.

<https://www.automaticvalve.com/>

Azbil North America, Inc.

### Azbil North America, Inc.

Pressure Transmitters, Differential Pressure Transmitters, Gauge or Absolute, Flow Meters

<https://us.azbil.com/>

## Product Lines

### Barben Analytical

pH Probes  
<https://www.barbenanalytical.com/>

### Finish Thompson, Inc.

Specialized chemically compatible pump solutions, filters & agitators.  
<https://www.finishthompson.com/>

### Flo-Tite

Complete line of Valves and Valve Automation Packages.  
<https://flotite.com/>

### Gast

A high quality line of vacuum pumps, compressors, air motors, gear motors, vacuum generators, regenerative blowers and Smart Air technology designed to meet the challenging applications of OEMs and end-users, worldwide.

<https://www.gastmfg.com/>

### GC Valves

2-way and 3-way solenoid valves for general and process control purposes.  
<https://gcvalves.com/>

### Global Filter

Full line of filtration products and vessels.  
<https://www.globalfilter.com/>

### Humphrey

Pneumatic Equipment - Engineered solutions for pneumatic applications. Solenoid, pilot and manual valves in 2-way, 3-way and 4-way. Electronics for serial bus applications.

<https://www.humphrey-products.com/>

### Jun-Air - A Brand of GAST

Clean, super quiet compressors for medical, labs and other quiet applications. Up to 175 psi.

<https://www.gastmfg.com/>

### F. C. Kingston

Relief valves and other pneumatic valves.  
<https://www.kingstonvalves.com/>

### KOGANEI

Life Science, Medical, Material Handling & Warehouse Automation, Food, Beverage & Packaging, Industrial Robots and more.

<https://koganeiusa.com/>

### M + S Hydraulics

Hydraulic Equipment - Low-speed, high-torque motors, hydrostatic steering units and accessory valves.

<https://www.ms-hydraulic.com/>

### Master Pneumatic

Filters, regulators and lubricators. Air-line filters for water vapor, oil vapor and particle removal to 2 in. NPT, 800 CFM. Desiccant air dryers.

<https://www.masterpneumatic.com/>

Houston 713-777-2626

## Product Lines

### Motion Controls

Air and medium duty hydraulic cylinders including tie-rod and non-tie-rod types.

<https://motioncontrolslc.com/>

### Nanuk

Customizable Hard Cases for Every Need.

<https://nanuk.com/>

### Nycoil

Pneumatic quick-connect couplers. Ultra flow sizes to 1 1/4 in. NPT and 25 mm metric, both in brass or steel. Thermoplastic couplers also available. Pressures to 230 PSI. Single and double shut-off and dripless. Blow guns, flex joints and coil tubings.

<http://www.nycoil.com/>

### Pneucon

Low-speed, high-torque motors. Shaft and wheel types of single or variable speeds to 300 rpm with continuous pressure ratings to 6,500 PSI; torques to 45,000 lb.-ft. (Oklahoma distribution only).

<https://www.pneucon.com/>

### PTI Technologies

A world leader in highly-reliable filtration and fluid control equipment and subsystems and miniature CAD/PAD devices.

<http://www.ptitechnologies.com/>

### SC Hydraulic

Hydraulic Equipment - Pneumatically operated liquid pumps and power units for oil and water, to 70,000 PSI. Pneumatic Equipment - Air boosters to 750 PSI. Gas boosters to 20,000 PSI

<https://www.schyddraulic.com/>

### Septic Sewage Pumps

Serving the septic and sewage industry for over 35 years we have the aeration pumps and accessories you need to keep your system purifying strong.

<https://www.septicsewagepumps.com>

### Sheffer Cylinders

Hydraulic (to 5,000psi) and pneumatic (to 250psi) NFPA cylinders to custom 50" bores. Electronic positional feedback cylinders. USCG and ABS services available.

<https://www.sheffercorp.com/>

### SIPCO

Specialties and Accessories - Gear reducers: planetary, helical, spiral bevel, hypoid, and worm types. Acme screw linear actuators.

<https://sipco-mls.com/>

### SMC

Most extensive line of biomedical, biopharma and pharmaceutical products available.

<https://www.smcworld.com/>

### SWC - Custom Solutions

Custom designed and manufactured fluid systems for common or uniquely challenging applications. For micro-Life Science needs to Offshore Oil hydraulic systems. From 3-piece assemblies to 100s of components.

<https://swcontrols.com/custom-solutions/>

### TACMINA

A liquid solutions company always looking for a larger challenge. Smooth flow capability starting at 1 Microliter/Min. to 80 Liters/Min. Serving many different industries.

<https://www.tacmina.com>

## Product Lines

### TESLA DISK PUMPS

Used in Chemical/Petrochemical, Petroleum/Oil & Gas Offshore & Onshore, and Pulp & Paper where laminar flow and harsh conditions predominate.

<http://tesladiskpumps.com/>

### Thermal Transfer Systems

Heat exchangers: water to oil and air to oil, for industrial, mobile and process applications.

<https://thermaltransfersystems.com/>

### VICI

Medical Fittings, Cheminert Fittings, Valco Valves, Injectors.

<https://www.vici.com/>

### Vonberg Valve

In-line and cartridge valves that manage flow, direction and pressure.

<https://vonberg.com/>

### VorTek Instruments

Flow Meters, Magnetic, Votrex, Vor-Cone

<https://www.vortekinst.com/>

### Watson McDaniel

Full Line of Steam Related Products, steam traps, gauges, control valves.

<https://www.watsonmcdaniel.com/>
